

WE SPECIALISE IN INSURANCE AND REINSURANCE SOLUTIONS FOR ALL ASPECTS OF MINING

Olea South Africa (previously Apio Group), an Olea group of companies, is in the unique position of being the only Pan African broking business in South Africa, with an extensive footprint (25 territories) in Africa.

The Group is able to provide a blend of South African expertise and market capacity, with locally based servicing capability, for both local and cross borders operations. This means we offer expertise in-territory – especially relevant for mining companies which have operations outside South Africa on the African Continent. We offer you access to our wealth of knowledge and experience in comprehensive risk mitigation solutions, securing the correct insurance program, at market-related terms, to secure the specialist placement for all your mining and construction needs.
