

Driesassur is a leading broker for the Diamond and Jewellery trade and Fine ART insurance worldwide. Through our partnership with Olea South Africa, Driesassur Africa offers clients custom solutions and specialised expertise in Specie, Jewellers Block, Diamond Processing, Fine ART as well as various lines of insurance with high-risk covers.

With headquarters in Antwerp, we have a global presence across prime locations including New York, Mumbai, Dubai and Hong Kong. This enables us to remain fully informed of the current situation in all the markets we serve.

## **"WE INSURE THE MOST BEAUTIFUL VALUABLES IN THE WORLD"**

### **What we offer**

We know you cherish your precious items, not only for their intrinsic value but because they are personal treasures often with sentimental value. Which is why we offer bespoke products and solutions.

### **Key areas of cover:**

- Specie (gold and bullion)
- Jewellers' block - for jewellers, auction houses, pawnshops, antique dealers, art galleries, diamond processing and jewellery manufacturers or handlers
- Diamond processing
- Fine ART
- Collectables (including stamps, coins and classic cars)
- Wine
- Domestic and business insurance

## How we work

Clear communication is essential and we thrive on carrying out our duty to our clients. Professionally. We respect a high code of ethics and are structured to respond rapidly to market changes, offering practical service and solutions at any time. That's why we look for ways to exceed your expectations.

## Benefits of working with us:

- Wealth of experience – serving global and local clients for three generations
- Customised solutions and services for businesses and individuals based on their unique risks
- Full risk evaluation and risk management
- Our presence in the international market and our insurance partners ensures we secure the best value in terms of cover and cost
- We offer clients a dollar policy which is placed into prominent international markets in UK and Europe
- Portfolio includes many of the most prestigious and successful companies in the trade worldwide

## Keeping a finger on the pulse of potential risks

The team has a unique understanding of the risks clients face in their day-to-day operations. Our expertise and access to a wealth of information and resources globally ensures your peace of mind.
