

WE SPECIALISE IN CREATING CUSTOMISED RISK AND INSURANCE SOLUTIONS FOR CORPORATE BUSINESSES

At the heart of our business is gaining an in-depth understanding of yours! We structure value-accretive integrated insurance and reinsurance programmes which align with your unique risk needs.

Business risks are dynamic – evolving and changing over time. It is imperative that the level and scope of your risk protection are adjusted and aligned to these changes. Ensuring you are protected against your critical risk exposures in the most cost-effective manner will safeguard the longer-term sustainability of your business.

OLEA South Africa, an OLEA company, is in the unique position of being the only Pan African broking business in South Africa, with an extensive footprint (offices in 27 countries plus correspondents in a further 12) in Africa, operating in North, West, Central, East & Southern territories. This means that OLEA can provide a blend of South African expertise, and market presence, with locally based servicing capability, both in South Africa and across the African continent.
